TAG-START: Wall:5 Dance the all the way through the first 32 counts. Omitting right hitch

step on count 32 you will instead step or stomp down on the right foot to start the dance again from the beginning with applejacks.

You are still making the $\frac{1}{4}$ turn left. The only thing that changes is the hitch.

Ending: You will dance the dance through one more time. The last 8 count, step forward for count 5, Step Right forward for 6 and spiral turn a $\frac{3}{4}$ turn over left to end the dance facing the front of the room, left leg crossed over right

Repeat
